<b>Remarks:</b> <p>Apparently this was routed to me from O/D/S. The normal routine requires that questions of this type go back to the office of origin. When a single office is involved that office should respond. When the problem overlaps two or more offices I prepare a coordinated response. If this item represents a special problem let me know and I'll try to help.</p> <p>3 - ACTION - you are most familiar with this matter -</p>
